Hungry? Got ten cents?

Brother, Can You Spare a Dime is a survival cookbook based on the abundant – and basement-budgeted – packet of ramen noodles. The book contains approximately 300 recipes that range from ultra-cheap to splurge-fest expensive – and all based on a ten cent (...more or less ...) package of ramen noodles. It's a college handbook to food, an exercise in market-driven cuisine and a survival guide for the hard times all in one.
