Good Crazy (Leaving The Trees Journey) (Volume 2) Richard Earl Broome

GOOD CRAZY is the sequel to LEAVING THE TREES the fictional account of the meltdown of our global society, as we know it. It has at its root cause a malevolent cyber attack on the global financial networks and systems by China that finally causes everything to spin out of control. It is initially set in Washington D.C. with political leaders who do not deal effectively with this calamity. As things begin to unravel, and society loses the ability to cope, things just stop working. At this point the novel transitions to the future and the aftermath of this global meltdown. The last two thirds of the book focuses and how a small community in Montana must pick up the pieces and learn how to survive, with what they have left and how they must live. The battle for survival centers not only food, but on untainted GMO free food. It is a suspense novel about trust, deception, betrayal and revenge that is filled with many twists, and turns. Featured in November 2014 on Survivor Jane. Featured in May 2015 on the Preparedness Radio Network.
