ICD-10 Code Breaking: Understanding ICD-10

Mr Matthew Graydon

ICD-10 Code Breaking: Understanding ICD-10 Mr Matthew Graydon

Like the favorite meme, or quote from a certain Metal Chair of Power series, ICD-10 is coming (this winter!). Sorting through the myths and truths of ICD-10 can be harrowing. Fortunately this book is written by an ICD-10 Certified Trainer who has experience teaching groups from large payers and small provider offices on the nuances of ICD-10, and what to expect. This book is full of information that will help you better understand the history of ICD-10, what the implementation means, and how to get ahold of resources that will fill the gaps in your preparedness plan. This book is the first in a series of Health Care Literacy books from Hyde Park Publishing. While the ICD-10 implementation is only a few short weeks away, the impact of the code set will take years to fully understand.
