A 2013 Shamus Award finalist, and Writer's Digest self-published book awards Honorable mention.

Professional blackmailer John Sharp, aka One Eyed Jack, is a man who knows how to keep a secret - for a price. But when a routine case of infidelity takes an unexpected detour, he soon finds himself caught in a tangled web of double-blackmail, commodities manipulation, and trying to rescue the woman that had once been his target.

Judge, 22nd Annual Writer's Digest Self-Published Book Awards said,

"In One-Eyed Jack, author Christopher J. Lynch has created a multifaceted main character who will instantly grip readers from the moment he steps onto the stage. What I found interesting was how I both liked and disliked this character at the same time; this is something I've rarely experienced in my many years of reading fiction. This is definitely a book you won't be able to put down."
