Shift

Jennifer Bradbury

Shift Jennifer Bradbury

Some friends fade away....Others disappear. Now in paperback, a riveting mystery that will “keep the pages turning” (Chris Crutcher, author of *Staying Fat for Sarah Byrnes*).

Imagine you and your best friend head out West on a cross-country bike trek. Imagine that you get into a fight—the cheap SOB won’t kick in any cash—and you stop riding together. Imagine you reach Seattle, go home alone, and start college. Imagine you think your former best friend does too. Imagine he didn’t, that he was carrying more than \$20,000 in cash the whole trip, and that now the FBI is looking for him. Imagine your world shifting....

Shift is a breathtaking tour-de-force that explores the depths of loyalty and friendship—and the unknowable depths of another person.

From reader reviews:

Frank Miller:

People live in this new day of lifestyle always try and must have the spare time or they will get wide range of stress from both daily life and work. So , whenever we ask do people have spare time, we will say absolutely sure. People is human not just a robot. Then we consult again, what kind of activity are there when the spare time coming to you actually of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative throughout spending your spare time, the book you have read is Shift.

Daniel Cadena:

Your reading sixth sense will not betray you actually, why because this Shift book written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your current hunger then you still hesitation Shift as good book not merely by the cover but also with the content. This is one reserve that can break don't judge book by its include, so do you still needing another sixth sense to pick this kind of!? Oh come on your examining sixth sense already said so why you have to listening to a different sixth sense.

Joyce Washington:

Reading a book to become new life style in this season; every people loves to go through a book. When you study a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. In order to get information about your analysis, you can read education books, but if you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, as well as soon. The Shift offer you a new experience in reading a book.

Jill Weber:

You are able to spend your free time to learn this book this publication. This Shift is simple to deliver you can read it in the recreation area, in the beach, train in addition to soon. If you did not have got much space to bring the printed book, you can buy often the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.
