The Savage Sword of Kull Volume 1 Roy Thomas

In the tradition of The Savage Sword of Conan and Saga of Solomon Kane collections, Dark Horse presents The Savage Sword of Kull, which is the first of a two-volume set that will collect all of the black-and-white Kull material printed by Marvel in the 1970s through the 1990s.

This volume breathes new life into classic Kull comic-book tales like "Demon in a Silvered Glass" and "The Teeth of the Dragon" as well as Robert E. Howard adaptations like "Kings of the Knight" and "The Mirrors of Tuzun Thune," and many, many more.

Howard's characters have always attracted top talent, and the creators assembled in this hefty tome are no different. Industry heavyweights like Roy Thomas, Chuck Dixon, and Gerry Conway lend their considerable writing skills to the embattled Valusian king — teaming up with the artistic talents of Barry Windsor-Smith, Bernie Wrightson, Marie and John Severin, and others to bring you some of the most exciting tales of fantastic battles and political intrigue ever committed to paper.
