The wilderness is something many people take for granted nowadays. However, at any time, you may find yourself in the wilderness, unable to call for help. What do you need to do in order to survive? How can you find your way out? What should you do if animals attack? Can you use the sky as a map? How do you know what you can or cannot eat?

In this book, you'll find all of those answers and more. A few of the topics included are:

- How to make your compass
- How to use the night sky as your guide
- How to figure out what's edible
- How to Build a Shelter
- How to survive different animal attacks
- How to call for help
