Love, Scandal, and Deceit Toni Canada

Traditional love is everything Rayne Jackson isn't looking for. She is young, sexy, and well educated. A single woman living life on the edge, Rayne is definitely a rolling stone. Her "life partner gang" lifestyle has allowed her to be open and free without commitment to just one person. Rayne makes her own rules-and not abiding by them can be fatal to everyone involved. Rayne has no intention on ending anything, anytime soon. Either you accept it, or you don't. When staying professional in the work place becomes a challenge, however, Rayne has to decide on if she will allow her personal life to become interference-especially after skeletons from her past begin to resurface right under her nose. Lines have been crossed. Now Rayne has to make some moves that may affect the livelihood of her family. Rayne has no idea whether this will end in turmoil-or whether it will fill the void in her life. She needs to decide if the ones who hold that special place in her heart are worth fighting for.
