## **The Creeps: A Samuel Johnson Tale (The Samuel Johnson Series)** John Connolly

In this delightfully imaginative novel, once again, hell threatens to break loose as Samuel Johnson and his ragtag group of friends must defend their town from shadowy forces more threatening than ever before...

In this clever and quirky follow-up to *The Gates* and *The Infernals*, Samuel Johnson's life seems to have finally settled down—after all, he's still got the company of his faithful dachshund, Boswell, and his bumbling demon friend, Nurd; he has foiled the dreaded forces of darkness not once, but twice; and he's dating the lovely Lucy Highmore, to boot.

But things in the little English town of Biddlecombe rarely run smoothly for long. Shadows are gathering in the skies, a black heart of pure evil is bubbling with revenge, and it rather looks as if the Multiverse is about to come to an end, starting with Biddlecombe. When a new toy shop's opening goes terrifyingly awry, Samuel must gather a ragtag band of dwarfs, policemen, and very polite monsters to face down the greatest threat the Multiverse has ever known, not to mention assorted vampires, a girl with an unnatural fondness for spiders, and highly flammable unfriendly elves.

The latest installment of John Connolly's wholly original and creepily imaginative Samuel Johnson Tales, *The Creeps* is humorous horror for anyone who enjoys fiction at its best.
