## **The Irish Writer and the World** Declan Kiberd

Declan Kiberd, author of the award-winning *Irish Classics and Inventing Ireland*, argues that political conflict between Ireland and England ultimately resulted in cultural confluence--causing the English literary tradition to greatly influence Irish language writing. Continuing his exploration of the role of Irish politics and culture in a decolonizing world, Kiberd covers Anglo-Irish literature, the fate of the Irish language and the Celtic Tiger. This collection of Kiberd's work over twenty-five years demonstrates the extraordinary range, astuteness and wit that have made him a defining voice in Irish studies and beyond.
