"Erotically wicked! Spellbinding! A unique retelling of *The Phantom of the Opera*." --Bertrice Small

For all the women who thought Christine should have stayed with the Phantom...

His exquisite obsession...

Christine Daa? heard rumors of the hideous Phantom said to haunt the great Opera House in 19th-century Paris. But its youngest and brightest star knows something no one else does-the truth. For in the darkness she thrills to the deep velvet timbre of his arousing voice, and quivers to the soft strokes of his leather-gloved fingers. He is real. Her inspiration. Her Musique d'Ange. Her liberator.

Her erotic awakening...

Condemned to the catacombs below, Erik has desired his obsession from the shadows, careful to keep his identity, and his secret, in the dark. Only he understands Christine's extraordinary talents and her beauty. Only he can pleasure her like no man has before. But his sensual power comes with a price-and a risk to everyone who stands between them. For Christine too is succumbing to her most forbidden and dangerous desires-and to the Phantom who's making them all come true.
