How to Blow His Mind in Bed SISKI GREEN

How to Blow His Mind in Bed' is written by 'Men's Health' magazine's resident sexpert, Siski Green. In her refreshingly honest new book, she will debunk the myth that a man only cares about his own orgasm, and give the inside knowledge on what they really want in the bedroom. Siski has had unrivalled access to the innermost thoughts of men through her work, and has a unique insight into their worries, desires and needs. But she has also dealt with many women's queries from the 'Men's Health' website, so she understands exactly what they really want to know about how men think. HOW TO BLOW HIS MIND IN BED will offer women inside knowledge on how to make a man excited, what his erogenous zones are, his feelings and concerns, and improving his orgasms and your techniques. It is a must-read for every woman who wants to improve and enhance what they already know, to have even better sex.
