It wasn't all that long ago when the notion of selling your life insurance policy was considered strange. Things sure do change fast. Investor demand for secondhand "used" life insurance policies has grown into a \$15 billion market. Analysts are predicting that that figure will grow to \$160 billion by 2030. Millions of seniors have turned their life insurance policies into a financial windfall, with many earning six-figure payments or even more by selling their policies. But beware deals like these can be full of traps and pitfalls. This book will steer you through the rocky waters of the life insurance market. We'll tell you everything you need to know to invest safely and securely. We'll explain what the market for used life insurance is and where it came from. We'll step through the entire process of a policy sale, from applying for life insurance to selling your policy to investors. And we'll show you exactly how you can keep more money in your hands and away from brokers, investors and middlemen. It's your life insurance policy, after all. Shouldn't you be the one who profits most when you Invest in Your Life?
