Keeping Good Time: Reflections on Knowledge, Power, and People

Avery Gordon, Leon Golub

Keeping Good Time: Reflections on Knowledge, Power, and People Avery Gordon, Leon Golub
Avery Gordon's first book, *Ghostly Matters*, was widely acclaimed as a work of striking sociological imagination and social theory. *Keeping Good Time*, her much anticipated second book, brings together essays by Gordon that were "written to be read aloud." Her eloquent voice in this book further establishes her place among literary sociological writers of a new generation. *Keeping Good Time* will be of great interest to activists, feminists, sociologists, students and everyone concerned about how to beat the odds in influencing the shape of social and culture change. Readers will find their thinking changed by the author's perennial quest to "develop insights gained in confrontation with injustice."
