**Rekindled Flame** Sienna Stone, Luke Braun

Melissa and Arthur Graham have it all. They're former high school sweethearts with a home in the suburbs, three beautiful daughters, and Arthur's successful career. It's almost perfect, except they've lost the spark they once had. That is, until Melissa stumbles upon Arthur's website browsing history, and she discovers a secret submissive side to him. Skeptical at first, Melissa is willing to try anything to save her marriage. Soon, she finds herself tapping into desires she never knew existed.

*Sometimes the only thing that can save a marriage is a sexual revolution.*

\* A Female Domination Romance Novella

### From reader reviews:

#### **Sharon Bufkin:**

What do you with regards to book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your time? Or are you busy person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. They must answer that question simply because just their can do this. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this Rekindled Flame to read.

#### **Wesley Powell:**

As people who live in typically the modest era should be up-date about what going on or info even knowledge to make these individuals keep up with the era that is certainly always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which you should start with. This Rekindled Flame is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

#### **Keith Karam:**

People live in this new day of lifestyle always try to and must have the time or they will get lots of stress from both daily life and work. So , whenever we ask do people have time, we will say absolutely of course. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, the actual book you have read is usually Rekindled Flame.

#### **Kevin Lewis:**

Your reading sixth sense will not betray a person, why because this Rekindled Flame guide written by well-known writer who really knows well how to make book which might be understand by anyone who also read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still question Rekindled Flame as good book not simply by the cover but also by the content. This is one publication that can break don't determine book by its handle, so do you still needing a different sixth sense to pick that!? Oh come on your studying sixth sense already alerted you so why you have to listening to a different sixth sense.
