## • Waterproof • Tear-Resistant • Travel Map

National Geographic's Southern Norway and Sweden AdventureMap is designed to meet the unique needs of adventure travelers with its durability and accurate information. This folded map provides global travelers with the perfect combination of detail and perspective, highlighting hundreds of points of interest and the diverse and unique destinations within the country.

The map includes the locations of cities and towns with a user-friendly index, plus a clearly marked road network complete with distances and designations for major highways, main roads, and tracks and trails for those seeking to explore more remote regions.

The northern half of the region is shown on the front side of the map spanning from the counties of Nordland to Hordaland in Norway and Norbotten to Kopparberg in Sweden. The reverse side of the map covers the southern portion of Norway from Bergen south to include the cities of Stavanger, Oslo, and Kristiansand. It also shows the southernmost section of Sweden from the city of Malmö on its border with Denmark north to Borlänge.

Every AdventureMap is printed on durable synthetic paper, making them waterproof, tear-resistant and tough — capable of withstanding the rigors of international travel. Each is two-sided and can be folded to a packable size of (4.25" x 9.25"); unfolded size is (26" x 38").
