This is the story of some of the events described in the Bible that occurred in what is now the Hashemite Kingdom of Jordan; and of some of the Biblical characters that passed through or settled here. In particular, the story focuses on the baptism of Jesus Christ by his kinsman, John the Baptist, and on the place where this occurred - known in the Bible as Bethany beyond the Jordan. Lavishly illustrated with fine art images and spectacular location photography, this book takes us to places of outstanding beauty in the present day, several of them established places of Christian Pilgrimage. It celebrates the shared heritage of Christians and Muslims, who have lived here for centuries in mutual respect and with many shared traditions.
