Bilingual Bible: English & Japanese (Annotated)

The Holy Bible

Bilingual Bible: English & Japanese (Annotated) The Holy Bible

Bilingual Bible: English & Japanese (Annotated) covers the complete Holy Bible from Genesis to Revelation. This is equivalent to 1500 printed pages but can be enjoyed on your Kindle as a single book. The layout has been customized to suit the Kindle and tested on full screen and mobile Kindles.

This edition features enhanced navigation. Each book of the Bible starts with its own table of contents so you can easily jump to a specific chapter. At the end of each chapter you can choose to go to the current book's table of contents, return to the main table of contents or continue to the next chapter.

Verses are presented in English then in Japanese making it easy to follow and compare both versions of the text and each verse is tagged with book, chapter and verse (e.g. John 3:16) making it easy to search for any verse you desire.

The content of this Bible (derived from the King James Version and the Japanese Colloquial Bible) has been edited so that verses are paired in each language. Note that the pairing of verses can result in verse numbering that differs from standard Bibles and care should be taken in comparing the content of this Bible with other Bibles.

We recommend previewing or downloading the free sample of this Bible from the Kindle Store before purchase to ensure your satisfaction.

This bilingual Bible for Kindle includes the following features:

(*) The table of contents appears at the beginning of the Bible (chapter numbers are not included, which means less scrolling). The chapters' navigation is listed in the beginning of each book. By clicking on the book name, user will be taken to the first page of that book where all of the chapter numbers are listed.

(*) Link to table of content also available at the end of each chapter so user can easily return to table of content.

(*) User can search the verse by typing first three letters of a book and the verse number. For example, user can type joh3.16 anywhere from the book and click find to go to the book of John 3:16.

(*) Each and every verse is labeled based on the first three letters of a book so user can easily figure out where it is.

(*) Words spoken by Jesus are displayed in red. For Kindle E Ink devices that currently have a black and white screen, text will appear in bold-gray.

(*) Book by book information and clickable outline.

(*) 52 Week Bible reading plan with clickable chapter.
