Is your job making you miserable? If so, you're not alone. By some estimates, over 70% of workers in the US are unhappy with their current job, and are eager to make a change. But sadly, most never do, and they remain in jobs and careers that leave them bored, frustrated, and even depressed. Change Your Job, Change Your Life is intended to give you a starting point if you're serious about finding a new job or career, or if you'd like to start a business. Full of tips and strategies that you can use right away, this motivational book will help you get unstuck and get moving. Almost nothing worthwhile in life happens without taking action. But you need a direction when it comes to changing jobs, and have a solid plan. This book will show you how to identify that ideal job that would be a match for your skills, interests and personality, and then how to go about making that great new job a reality in your life. There's also a chapter on starting your own business, for people who are ready to leave the labor force behind and work for themselves. Find out if this is a viable option for you, and what's involved in owning and operating a business. The freelancing option is also discussed, along with the pros and cons of self-employment. So buy this book, and get going now!
