Character Building Thought Power and The Higher Powers of Mind and Spirit Ralph Waldo Trine
Combines Two Books by Ralph Waldo Trine

CHARACTER BUILDING THOUGHT POWER describes a method whereby old, undesirable, earth-binding habits can be broken, and new, desirable, heaven lifting habits can be acquired, a method whereby life in part or in its totality can be changed, provided one is sufficiently in earnest to know and, knowing it, to apply the law.

Each of us resides in two kingdoms, states Ralph Waldo Trine in *The Higher Powers of Mind and Spirit*, an inner kingdom, consisting of the mind and the spirit, and an outer kingdom made up of the body and the physical universe around it. It is achieving the balance between these two worlds that Trine addresses in this book. One cannot force change in the outer kingdom, argues Trine without first changing the "silent, subtle forces" that make up the inner kingdom, the "kingdom of the unseen." Learn how the soul, mind, and body interrelate; how the mind can be used to build the body (and vice versa); how thought can be used as a force in everyday life, and much more.
