Fables: The Deluxe Edition Book Two Bill Willingham

As Snow White slowly recovers from a bullet to the brain, she and Bigby spend a lot of time in each other's company. But when they announce that they'll be vacationing together, all of Fabletown is shocked...and not just because Snow White has never taken a holiday before. The twosome's sudden departure from New York City -- and the deadly peril they're about to fall into -- is surely no match for the ruthless enemy who's still lurking in the back woods. This volume also includes the special FABLES: THE LAST CASTLE, we learn of the great war that forced Bigby Wolf, Prince Charming and Bluebeard to leave their homeland in search of a safe haven. As the battle rages, we meet a mysterious woman in red, and learn why Snow White's deputy, Little Boy Blue, only plays the blues on his trumpet.
