Mark One (Midway) (Volume 1) John Hindmarsh

Nine men, ex-military, are on a mission to destroy a genetics laboratory and capture a genetically engineered specimen. They are supported by four rogue CIA agents, who have commandeered a test drone and a missile at a Marine base. The team attacks the genetics laboratory complex before dawn, during a raging blizzard. Within hours, seven of the men are dead, one is severely wounded and one barely escapes. The drone with its missile has been destroyed. The next morning the four rogue agents are found dead from carbon monoxide poisoning. Mark Midway does not know his real parents, nor where and when he was born. Two scientists adopted him when he was a young child and his home since has been a genetic research laboratory. After the attack, Mark flees the laboratory complex, seeking safety and somewhere he can call home. The FBI is on his case and a mysterious organization offers him its assistance. However, he is at risk. There are unknown killers chasing him and he needs to protect himself and his friends. He needs to survive. A fast-moving, finely plotted thriller that will keep you reading.
