Newly revised and edited - Third Edition 2-18-14

Thomas Begay is found dead-drunk under the La Plata Bridge ...not unusual for Thomas Begay. What is unusual, is the beautiful BIA investigator Patsy Greyhorse, found lying beside him ...not drunk, or even a Navajo, but very dead nonetheless. Long time friend Charlie Yazzi, fresh from law school, risks his career ...and even his life to help his old schoolmate.

The Answer seems to lie with the Yeenaaldiooshii ...should one choose to believe in such things. In the far reaches of the reservation there still are traditional Navajos living their lives with few concessions to modern mores. Guided by their strong sense of cultural heritage these outliers remain a strong anchor for the Navajo Nation. This story follows the lives of such people, caught up in a plot that could have far reaching implications for the entire tribe.
