White Apocalypse Kyle Bristow

In *White Apocalypse*, a rogue anthropologist teams up with a proponent of the Solutrean Hypothesis and a fiery lawyer in order to reveal to the world the shocking truth that carries immense cultural, political, and racial significance: 17,000 years ago, white people immigrated to North and South America from Europe, and when the Amerindians arrived by crossing the Bering Strait roughly 12,000 years ago, the latter subsequently and systematically murdered the former. The powers that be will do everything that they can to prevent this controversial theory from being espoused by the trio, and during this action-packed, semi-fictional thriller, the epic adventure will take the advocates of historical revisionism from the forests of southeastern Michigan to a federal courtroom in Ohio, from the busy streets of Washington, D.C. to an Amerindian reservation in Virginia!
