Discovery Problems and their Solutions Paul W. Grimm, Charles S. Fax, Paul Mark Sandler

This updated and expanded edition describes the problems that litigators encounter most frequently in pretrial discovery and presents suggestions and strategies for solving these problems. Following a discussion on the scope and types of discovery, discovery problems are presented as hypotheticals followed by a discussion that includes the law and helpful practice tips. Particular emphasis has been placed on the interpretation of the new rules, and evolving case law, concerning discovery of electronically stored information.
