Escaping Home: A Novel (The Survivalist Series Book 3) A. American Book 3 of The Survivalist Series

When society ceases to exist, who can you trust?

After the collapse of the nation's power grid, America is under martial law—and safety is an illusion. As violence erupts around him, Morgan Carter faces one of his most difficult decisions yet: whether to stay and defend his home, or move to a more isolated area, away from the prying eyes of the government. He and his family are hesitant to leave their beloved Lake County, but with increasingly suspicious activities happening in a nearby refugee camp, all signs point towards defecting. Morgan and his friends aren't going to leave without a fight, though—and they'll do anything to protect their freedoms.

From the author of the hit survivalist novels *Going Home* and *Surviving Home*, *Escaping Home* describes the struggle to live in a world with no rules, and how, sometimes, the strength of family is the only thing that can pull you through.
