## **Garth Brooks: Platinum Cowboy** Edward Morris

In the three years since his first single entered the *Billboard* charts, country singer Garth Brooks has become the most popular recording artist in America. He's left Michael Jackson and Guns N' Roses eating his dust, and for good reason-he's an eloquent songwriter, a traditional country crooner with a rock 'n' roll twist, and he works the stage like a Nashville-born-and-raised Mick Jagger. He's rediscovered country music for a whole new generation, and breathed new life into it for country's original fans, leaving us, his fans, panting for more.

A big sound and a big star: Garth Brooks.
