By leading you step-by-step through the fundamental content and most effective strategies for the SSAT, Ivy Global will help you build your confidence and maximize your score on this important exam. We know that no two students are exactly alike--each student brings a unique combination of personal strengths and weaknesses to his or her test preparation. For this reason, we've tailored our preparation materials to help students with a specific subject area or goal. Ivy Global SSAT Practice provides four full-length practice tests for the SSAT (two Middle-Level and two Upper-Level) to help students practice for their exam under simulated testing conditions.
