## **La Flor de la Vida (Spanish Edition)** José Mieres

Juanjo, el personaje central de la novela, es un adolescente chileno, que crece en un país convulsionado por las distintas corrientes políticas, durante los gobiernos de Salvador Allende y Augusto Pinochet. Entre sueños y esperanzas, va soportando una vida llena de conflictos, basados en hechos de la vida real, que le atormentan, a costa del sacrificio personal y social. "La flor de la Vida" es una novela basada en hechos reales que afectaron a todo un país, y es el espejo de la historia pasada y presente de latinoamerica, donde la sociedad es dividida y manipulada por razones politicas, y cada ciudadano (al igual que el protagonista), debe tomar decisiones que marcarán un destino difícil y tormentoso para él y su familia.
