Charli Boyd, "good time Charli" to her friends and even her enemies. She's wants nothing to do with committed relationships. She isn't interested in marriage or babies or settling down in one place for more than a night or two. A brief stay on her friend's ranch, the Double B, leads to a temporary job helping in the grouchy Dr. Clark's veterinarian office. Not her usual role, but the idea of playing nurse to the cute but grouchy doctor is too much fun to resist. Besides, Doc needs to lighten up and she's just the gal to show him how. Small town vet Dr. Grant Clark has no time for such nonsense. He has a business to run, horses to tend and hopefully at some point in the future he'll meet a nice woman who he can raise a family with. The wild redheaded Charli is nothing but trouble. The last person he needs in his life right now is someone like her. But when she sets her sights on seducing him, how long will he be able to resist her tempting offer of a walk on the wild side.
