Once upon a time, not too long ago, a young girl from the projects met Quadir, far from home in the middle of Harlem...Now the story is told of how it all went down.

True to the Game, the first novel of its time, is like no other story that can or will ever be written. The main character Gena finds herself in true blue love with Quadir, a millionaire associated with the Cartel. Quadir finds himself combating the art of extortion and interception masterminded by the notorious Junior Mafia, which reigns supreme from the inner city streets of Philadelphia onto the pages of this book.

Both Gena and Quadir find themselves caught up in the vicious, yet seductive, world of drugs and money, only to find that success in this Game is no easy win.

There's no way out once you're in, and everyone in stays forever...True.
