Warning: The following contains spoilers from a cliffhanger in *Garrett*.

Rising star Zack Grantham has been stuck in a downward spiral of grief that has put his career on hold. Back on the road with the Carolina Cold Fury, still crippled by emotional baggage, and now a single dad, he’s in need of some serious help with his son. But while the nerdy new nanny wins his son’s heart, Zack isn’t sure he’s ready for a woman’s touch—even after getting a glimpse of the killer curves she’s hiding under those baggy clothes.

Kate Francis usually keeps men like Zack at a distance. Though his athlete’s body is honed to perfection, he refuses to move on with his life—and besides, he’s her boss. Still, the sparks between them are undeniable, tempting Kate to turn their professional relationship into a personal one. But before she makes a power play for Zack’s wounded heart, Kate will have to open him up again and show him that love is worth the fight.
