Are We There Yet? Diary of a Project Manager Donald Angelo Pillittere

As project management techniques become ubiquitous in the workplace, more and more people find themselves challenged by bureaucracy, unruly team members, and irrational customers. This compelling (and sometime humorous) book follows the day-to-day trials and tribulations of a team working to commercialize an innovative new product. The team faces commonplace issues such as corporate leadership and strategy; impacts on sales and marketing; finance; operations; design; production and the supply chain. Presented in diary format to make for an engaging read, each chapter ends with a lesson on what could have improved the team's performance, focusing on the four "Ps" of project management: processes, people, parts, and phenomena. Sneak a peek in this diary to discover the Good, the Bad and the Utterly Random concerning one of the most essential, unpredictable and unsung responsibilities in business.

Steven Atkins:

As we know that book is essential thing to add our knowledge for everything. By a reserve we can know everything we really wish for. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This guide Are We There Yet? Diary of a Project Manager was filled with regards to science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading the book. If you know how big advantage of a book, you can experience enjoy to read a book. In the modern era like at this point, many ways to get book that you wanted.

David Wilkens:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Are We There Yet? Diary of a Project Manager can make you truly feel more interested to read.
