Book # 1.5 of the Consequences series:

From New York Times and USA Today bestselling author Aleatha Romig comes the much-anticipated first companion to the suspenseful thriller about secrets and deception, passion and love, and choices and consequences.

What was Tony thinking?

Control? Acquisition? Domination? Love? BEHIND HIS EYES CONSEQUENCES explores significant scenes as well as behind-the-scenes moments from the first book of the Consequences series.

Not a total re-write, this companion explores the mind of the man who thought he set the rules and delivered the consequences.

From the beginning.

Anthony Rawlings has the perfect world: money, influence, and power. Everything in his life is and has always been planned, executed, and predicted...until Claire. How long can he deny what is right before him? Experience the rare opportunity to see this esteemed man's world change, from behind his eyes.

It is always darkest before the light.

Through significant scenes, experience the dark journey into the mind of the man who believes that he controls everything yet controls nothing. Share his thoughts as glitches are overcome and accidents are survived.

For the avid reader of the Consequences series, it is recommended that this companion be read after Consequences, Truth, Convicted, and Revealed for more insight into the man who:

“Once upon a time, signed a napkin that he knew was a contract. As an esteemed businessman, he forgot one very important rule. He forgot to read the fine print. It wasn't an acquisition to own another person as he'd previously assumed. It was an agreement to acquire a soul.” —Aleatha Romig, CONVICTED
