The pediatrics clerkship survival guide written by students who aced the clerkship.

This powerful review for the pediatrics clerkship provides medical students taking required rotations with a single, concise, high-yield resource for excelling on the boards and wards. Hundreds of high-yield facts--written by students and based on the clerkship's core competencies--review everything students need to know for the clerkship. Margin notes highlight common exam and "pimp" questions to really help students shine. New to this edition, mini-cases are integrated throughout to give a clinical "face" to disease discussions. A section of "classifieds" include scholarship and award opportunities. A new color insert contains 4 pages of full color images to amplify the text.

Features

- High-yield yet comprehensive review for the pediatrics clerkship based on the clerkship's core competencies
- Written by students who just completed the clerkship
- **NEW:** Integrated mini-cases add clinical relevance and prepare students for questions they will see on the shelf exam and the USMLE Step 2 CK
- Exam tips and wards tips in the margins help students shine
