Mason is an action star on the tail end of his career and the good roles are getting as scarce as his disappearing paychecks. His agent wants him to date his hot coworker Gisella to boost his image but his bear has other plans when he bonds with Joni, the new intern on the set of his latest blockbuster movie.

Joni is a self proclaimed dork. Well actually, everyone else proclaims it. She is thrilled when she gets a job on the set of a movie featuring Mason Maloney; her lifelong crush with the perfect abs that she's drooled over since puberty. But will she be able to handle it when the hot bear shifter unexpectedly turns his attention on her?

But not just the movie and their hearts are on the line. Something very important to Mason is relying on the success of this film. Will he be willing to give up his newly found mate or will everything he's worked for come crumbling down?

Standalone Book. No Cliffhanger. HEA.
