The Safe Room B. A. Shapiro

From the bestselling author of *The Art Forger*

How long can murder haunt a family? Until the wrong is put right and the victim is able to rest in peace. Set in Lexington, Massachusetts, *The Safe Room* is a story of such a murder and such a haunting. A psychological thriller, the tale toggles between the eve of the Civil War and present day. It follows the doomed love affair of Silas Person, a runaway slave riding the Underground Railroad, and Sarah Harden, the daughter of a famous abolitionist. Sarah and Silas's story is intertwined with that of Lee Seymour, a modern-day descendant of the Harden family who must suddenly grapple with a world in which murder and ghosts are all too real.

The Safe Room is a suspenseful tale that employs love and the paranormal to explore the ugliness of injustice and the beauty of human hope.
