With its 12" x 14" inch format that opens to a huge, almost lifelike image, it's the calendar designed to delight the eclectic soul of every guitar lover. There are electrics—an over-the-top Veleno original and the funky Gibson Firebird with its big fin look created by a noted car designer. Acoustics—the Fylde, with a body made out of wood from casks used to age single malt scotch. And above all, icons—like the cover shot, the Rickenbacker 360/12, known from its use by The Beatles. Detailed text explores each instrument's background, virtues, prominent players, and more.
