The purpose of this Book is to help those who read it understand the times in which they are living. Everyone can sense that things are changing, indeed. Things will never be the same again, especially since 9-11. Change is taking place in many arenas. Political strategies are changing world-wide. So are the Social Orders and cultures of the world. The top three areas of change could be listed as the Political, the Social and the Religious. The International Community does not feel as secure as it once did. There is not as much trust. The demands of modern technology are pressing in upon us. The fast lane of society is much more prevalent. Wars are fought differently. Space exploration is expanding. Religious thought and theologies are not the same as they used to be. All of these things, working together, are changing the mind-set of the International Community. It is in times like these that Jesus will return and receive His Church unto Himself. It is also in times like these a World Leader will emerge, seemingly with all the answers. The world will call him a genius, but the Bible calls him the Antichrist. His days are already numbered. His rise and fall is already set. The Bible is very specific on this. In the days before his appearing, nothing will seem to have any certainty. There will be no absolutes. Everything will be relative. But there is a new world coming, a new Kingdom, and Christ will be its King. The watchword for this coming Kingdom is HOLINESS UNTO THE LORD. There will be no sin and its people will return to the perfection that Adam had before The Fall. It is the author's prayer that the readers of this book will find their special place in the Lord's Kingdom and live in communion and fellowship with Him every day!
