Reasons My Kid Is Crying Greg Pembroke

A glimpse into the tribulations of parenting that is part documentary, part therapy, and completely hilarious.

It all started when busy father Greg Pembroke posted a few pictures online of his three-year-old son, mid-tantrum, alongside the reason his son was crying: He had broken his bit of cheese in half. In *Reasons My Kid is Crying*, Greg collects together photos sent from parents around the world, documenting the many, completely logical reasons why small children cry. Among them: “I let him play on the grass” . . . “He ran out of toys to throw into his pool” . . . “The neighbor’s dog isn’t outside”. The result is both an affectionate portrait of the universal, baffling logic of toddlers—and a reminder for burned-out parents everywhere that they are not alone.
