The 30 Day MBA in Business Finance: Your Fast Track Guide to Business Success Colin Barrow

The 30 Day MBA in Business Finance helps readers learn the major points of a business finance curriculum. It shows them how to become a financial strategist, how to move out of their disciplinary straightjacket, and how to become top managers. Though based on UK accounting practice, this book makes readers more marketable as job candidates by offering them a familiarity with a wide world of knowledge of finance. The book includes fifteen case studies, including studies of the Bulgarian government (the most aggressive corporate tax regime in Europe), Lloyd's, Northern Rock (the embattled British bank), and Lehman Brothers, the now bankrupt financial services firm.
