"What gives you a thrill Kristen?"

The conclusion to the Surrender Series by Priscilla West.

No one is who they seem to be.

I let Vincent into my heart because he seemed so different from everyone in my conservative world of wealth management. I thought we shared something special, but Vincent has been playing me this entire time.

As our relationship reaches a crisis point, a man from my past returns looking for a second chance. Is my ex really looking for redemption or is his goal something more sinister?

I try my best to hold it all together, until I discover a revelation that will change everything.
