**Fimbulwinter (Daniel Black Book 1)** E. William Brown

Summoned to a world in the midst of apocalypse, Daniel Black would have his hands full just staying alive. Add in refugees, desperate soldiers, scheming nobles and a pair of thoroughly wicked witches, and life is going to be very busy indeed. Good thing he has magic of his own to even the scales. But will even that be enough?

Warning: This novel contains graphic violence, inventive sex, unconventional opinions and a protagonist who has no interest in being normal. Read at your own risk.
