When her father died, Lucy Mae Estmond inherited the family business. She has known all of her life that she would be in line to watch over the souls of the recently passed, keeping them safe from the Reapers.

The soul eating Reapers have been a plague upon the Earth, stealing souls and leaving the Keepers as the only thing that stands between Heaven and Hell. The factions despise each other and have warred for generations.

Then Lucy discovers an ancient legend predicting the arrival of the Chosen One, destined to bring forth an end to the Reapers. The surprises continue when she realizes she is that person. For Lucy, being the Chosen One doesn't change much. Fighting Reapers is just another day in the life of a Keeper.

When she meets Jack Walker, they both realize they have an insane, mutual attraction. Too bad that he's been sent to prevent the prophecy from coming true. His only mission: to kill the Chosen One.

At the end of Keeper vs. Reaper, you get a special preview of Author Rue Volley's new novel, Stardust! Read the blurb [here](#).

When Jasmine gets the call that her father has died, she immediately heads home to Stillcreek, Pa. Having been gone for years, she thought she had shed the small town and the insecure girl that she once was. However, returning home opens up all of the old wounds she thought she had mended and brings back her panic attacks and inability to deal with her overbearing sisters. The only thing that seems to pacify her anxiety is Cody Baker. Cody has a way of making her feel calm, when she needs it the most. Opening up to this stranger she meets on a train, Jasmine lets him in when the walls she has so carefully constructed start to crumble from grief. It may appear that Jasmine is the only one in need, but as most things go, appearances can be deceiving. Perhaps she is not the one who truly needs salvation.
