**Master of the Dead (Harbinger of Doom -- Volume 8) (Harbinger of Doom series)** Glenn G. Thater  
Vampires. Zombies. Wendigo. There's a million books about them, and of similar paranormal, undead creatures. Sparkly cutesy ones. Vicious evil ones. Heroic ones. Impossible to kill ones. Slow and fast ones. Some books even purport to tell you of their origins. Well, they're all bunk and bother, as Ob would say. Nothing but humbug.

This eighth volume of the Harbinger of Doom saga is different. It reveals the truth about those creatures. About where they really came from. About the terrible threat they posed and may still pose today. And about the brave folk of days long past that stopped them from overrunning the world.
