## **Peter and the Wolf** Sergei Prokofiev

Sergei Prokofiev composed his *Peter and the Wolf* in 1936 with the hope of introducing children to the instruments of the orchestra. It happens that he also devised a wonderfully dramatic story. The characters - boy, bird, duck, cat, grandfather, wolf, hunters - and their doings have been beloved by young and old for decades.

Writer, artist, musician, and Caldecott Medalist Chris Raschka has given the original story a new setting: a stage performance. Here you will relish language inspired music; enjoy mischief, suspense, and triumph in the theater; and delight in a surprise (and an additional character) Prokofiev's merry tale didn't provide. Please do *not* turn immediately to the last page.
