## **The Spinster's Guide to Dating** M. J. Minerman

In her newly released volume *The Spinster's Guide to Dating*, M. J. Minerman presents an unapologetic, politically incorrect, hypocritical, sometimes sarcastic, and always biased look at dating for the 40 plus set in the O.C. It is a world of "real housewives", rico suaves, and 50 year old guys looking for their 20 year old soulmates. It's the anti-mecca of singledom, the Time Magazine's Worst Place to Find a Partner. (She made that up...) There is no yin for your yang or yang for your yin. It's the Bacall without the Bogart, the dirty martini without the olive. BUT...it is also very entertaining! Online dating profile pictures of dudes dwarfed by monster trucks or with boobalious bimbos are the stuff of grocery store tabloids and hot E! News specials. It's a world you love to watch, but sure don't want to enter alone. Don't even bother dipping your toe in the dating pool! Sit back in your comfy chaise lounge and let this magnanimous aging unmarried do it for you in *The Spinster's Guide to Dating*. She can suffer the indignities of a quinquagenarian trying to out-intellectualize her with his Pinot Noir knowledge, and you can read about it from the comfort of your own home! So pour yourself a glass of vino and enjoy the ride! You already have a designated driver!

### From reader reviews:

#### **Anna Brooks:**

A lot of people always spent their particular free time to vacation or maybe go to the outside with them family or their friend. Are you aware? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read a new book. It is really fun in your case. If you enjoy the book you read you can spent all day long to reading a reserve. The book The Spinster's Guide to Dating it is extremely good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. When you did not have enough space to bring this book you can buy the e-book. You can m0ore effortlessly to read this book through your smart phone. The price is not to cover but this book provides high quality.

#### **James Harris:**

People live in this new morning of lifestyle always try to and must have the extra time or they will get lot of stress from both daily life and work. So , when we ask do people have spare time, we will say absolutely yes. People is human not really a robot. Then we request again, what kind of activity do you possess when the spare time coming to an individual of course your answer will probably unlimited right. Then ever try this one, reading ebooks. It can be your alternative inside spending your spare time, typically the book you have read will be The Spinster's Guide to Dating.

#### **Jeremy Reed:**

This The Spinster's Guide to Dating is great guide for you because the content which can be full of information for you who else always deal with world and get to make decision every minute. This book reveal it data accurately using great organize word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with lovely delivering sentences. Having The Spinster's Guide to Dating in your hand like having the world in your arm, facts in it is not ridiculous a single. We can say that no e-book that offer you world throughout ten or fifteen second right but this reserve already do that. So , this can be good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?

#### **Robert Lewis:**

Is it an individual who having spare time subsequently spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This The Spinster's Guide to Dating can be the reply, oh how comes? The new book you know. You are so out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?
