"This book brings you back to basic. I know the Bible but never has anyone explained your creation purpose in life like the author is doing in this little book. I struggled to forgive people who wronged me and I could never found out why. I can't wait to read the rest of the series." (Kath Petersen)

So many people question their purpose in life and do not like them self. They do not think or believe that they are special in their own way. They do believe in God, but with all the issues going on in their lives, they do not accept what God has given them.

If you struggle to believe that God does love you, and that you are a special creation with a purpose, but do not know how to accept it or how to get there, you have to read the first book in this series. This is the basic part, the foundation of the changes that is going to take place in your life.

This series is based on any dogmatic or church believe at all. It is based on the true Word of God and it will help you to put His Word in Action. You can measure each statement in the Word of God.
