**A Week in the Woods** Andrew Clements

## **Collision course**

The fifth-grade Week in the Woods is a beloved tradition of Hardy Elementary, where Mark Chelmsley (the Fourth) is pretty much killing time before his parents send him off to an exclusive prep school. But then Mark realizes the Week might be a chance to prove to Mr. Maxwell that he's not just another of the slacker rich kids the teacher can't stand.

But it may be too late for Mark to change Mr. Maxwell's opinion of him. On the first day of the Week, the tension between teacher and student explodes, and in a reckless moment, Mark puts not only himself, but also Mr. Maxwell, in grave danger. Can two such strong adversaries work together to save their lives?

This book exist new information the information that exist in this book represented the condition of the world at this point. That is important to you to be aware of how the improvement of the world. This book will bring you with new era of the internationalization. You can read the e-book on the smart phone, so you can read this anywhere you want.

#### **George Miller:**

Is it a person who having spare time and then spend it whole day through watching television programs or just laying on the bed? Do you need something totally new? This A Week in the Woods can be the response, oh how comes? The new book you know. You are so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

#### **Helen Massey:**

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this A Week in the Woods can make you really feel more interested to read.
