William R. Starling

American Battlegrounds: Defining The War For Truth William R. Starling

American Battlegrounds presents a factual historical overview of four areas that have formed the foundations of the genuine American character - the origin of man and nature, the founding of America, the American form of government and law, and the free enterprise system. The concise, easy to read format provides an excellent means for closely examining the most basic of truths concerning each of these subjects. Given the constant efforts to redefine America's core values and principles, and to revise our history, it is essential to be armed with an expanded knowledge of these truths.
